**DIFFICULTY:** medium

**YOU WILL NEED:**

- yarn for bears body  
you can use any yarn and color you like, but I suggest don't take dark colors or very fluffy yarn (it will be difficult to crochet and toy can lose its form)
- crochet hook

**(ADVICE:** choose hook a half or one size smaller than is recommended on the label of yarn you use

I crochet with hook number 3 (UK size: 11 or 10, USA size: C or D) and finished toy size is about 23cm (9" - inch)

If you would like smaller toy - use a thinner yarn and smaller size hook and if you want bigger toy - use a thicker yarn and bigger size hook (remember: the larger toy you crochet, the more yarn you will need)
